

Partner Label

by INFINOX

Partner label by INFINOX

Deliver Bespoke Trading Content for your clients without the burden of your own platform.

Use your tools, information and services to grow your business and maximise your revenue. Maximise your engagement and take advantage of revenue opportunities.

Partner with our Commercial Team - we will take care of the technology and help to maximise your revenue with our 50+ years of industry experience.

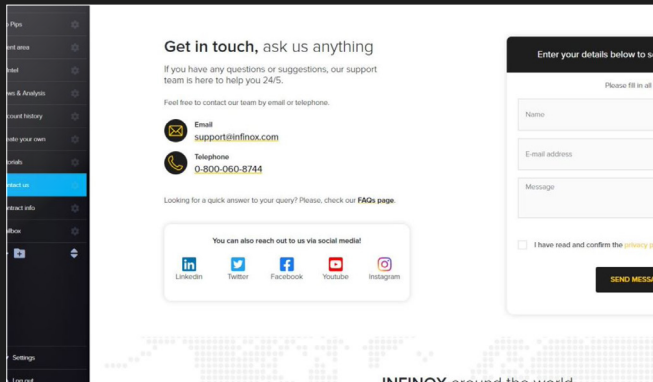

Deliver a solution in your branding.
Customise the layout, add your logo,
integrate your brand colours to the
platform, charts, widgets and more.

Allow your clients to trade and engage with you from one place. Whether you deliver signals or trade opportunities, share it within the platform in real time.

Provide your unique information, tools & services. Host from your website, YouTube and other channels.

Provide your unique information, tools & services. Host from your website, YouTube and other channels.

Mobile Optimised

A fully optimised mobile experience included. The platform will come ready to work on all devices.

Improved trading experience

Increase trading activity with a platform which is more user friendly and easy to use on a daily basis.

Incentivise your clients

Through the platform run a trading competition or promote an offer direct to your clients.

Sub-IB offering

Your sub-IBs can also benefit by having a solution created for them under your arrangement.

Support your clients 1-1

Your clients can share with you directly their trades and postions, allowing you to give personal and direct 1-1 support.

What this means for your clients

- Available in multi-languages
- The full range of trading instruments available
- Lightning fast execution of trades
- Trade and access the platform from anywhere in the world, on any device
- Allow an end to end trading experience from one central space
- Trade, deposit and withdraw within a secure and regulated environment
- Receive the full premium INFINOX support
